That's a given. I think that Mark is a masochist who craves negative
attention and who keeps returning for more. That's his m.o. wherever
he posts.

Take a look at his "sig", which is intended to incite someone to take
it to real life and to look Mark up. That's the sig of a masochist.

For those of you contemplating retirement, I would like to share my retirement experiences with you, which I hope will be helpful.

Fifteen years ago my wife and I moved into a retirement development on Florida's Southeast coast. We are living in the Delray/Boca/Boynton Golf, Spa, Bath and Tennis Club on Lake Fake-a-hachee. There are 3000 lakes in Florida; only three are real.

Our biggest retirement concern was time management. What were we going to do all day? Let me assure you, passing the time is not a problem. Your days will be eaten up by simple, daily activities. Just getting out of your car takes 15 minutes. Trying to find where you parked takes 20 minutes. It takes 1/2 hour on the check-out line in Wal-Mart and 1 hour to return the item the next day.

Let me take you through a typical day. We get up at 5:00 AM, have a quick breakfast and join the early morning Walk and Talk Club. There are about 30 of us, and rain or shine we walk around the streets, all talking at once. Every development has some late risers who stay in bed until 6 AM. After a nimble walk avoiding irate drivers out to make us road kill, we go back home, shower and change for the next activity.

My wife goes directly to the pool for her under water Pilates class, followed by gasping for breath and CPR. I put on my 'Ask me about my Grandchildren' T-shirt, my plaid mid-calf shorts, my black socks and sandals and go to the club house lobby for a nice nap.

Before you know it, it's time for lunch. We go to Costco to partake of the many tasty samples dispensed by ladies in white hair nets. All free! After a filling lunch, if we don't have any doctor appointments, we might go to the flea market to see if any new white belts have come in or to buy a Rolex watch for $2.00.

We're usually back home by 2 PM to get ready for dinner. People start lining up for the early bird about 3 PM, but we get there by 3:45 because we're late eaters. The dinners are very popular because of the large portions they serve. You can take home enough food for the next day's lunch and dinner, including extra bread, crackers, packets of mustard, relish, ketchup and Sweet-and-Low along with mints.

At 5:30 we're home ready to watch the 6 o'clock news. By 6:30 we're fast asleep. Then we get up and make 5 or 6 trips to the bathroom during the night and it's time to get up and start a new day all over again.

Doctor related activities eat up most of your retirement time. I enjoy reading old magazines in sub-zero temperatures in the waiting room, so I don't mind. Calling for test results also helps the days fly by. It takes at

least half an hour just getting through the doctor's phone menu. Then there's the hold time until you're connected to the right party. Sometimes they forget you're holding, and the whole office goes off to lunch.

Should you find you still have time on your hands, volunteering provides a rewarding opportunity to help the less fortunate. Florida has the largest concentration of seniors under five feet and they need our help. I myself am a volunteer for 'The Vertically Challenged Over 80.' I coach their basketball team, The Arthritic Avengers. The hoop is only 4 1/2 feet from the floor. You should see the look of confidence on their faces when they make a slam dunk.

Food shopping is a problem for short seniors or 'bottom feeders' as we call them because they can't reach the items on the upper shelves. There are many foods they've never tasted. After shopping, most seniors can't remember where they parked their cars and wander the parking lot for hours while their food defrosts.

Lastly, it's important to choose a development with an impressive name. ITALIAN names are very popular in Florida. They convey world traveler, uppity sophistication and wealth. Where would you rather live... Murray's Condos or the Lakes Of Venice ? There's no difference. They're both owned by Murray who happens to be a cheap bastard.

I hope this material has been of help to you future retirees. If I can be of any further assistance, please look me up when you're in Florida. I live in The Leaning Condos of Pisa in Boynton Beach.

Wus da night afo' Crizzmus, and all thru da hood, everybody be sleepin' and da sleepin' be good. We hunged up our stockins, an hoped like all heck, dat dear Ol' Obama's, gunna brang us our checks.

All of da family, was ly'in on the flow, my sister wif her gurlfriend, and my brother wif some hoe. Ashtrays wuz all full , empty beer cans and all when I heared such a fuss, I thunk...."Sh'eet, it must be da law".

I pulled the sheet off da windoe and what I'ze could see, I was spectin' the sherrif, wif a warrent fo' me. But what did I see, made me say, "Laaawd look at dat". dere was a huge watermelon, pulled by 8 big-ass rats.

Now over all of da years, Santy Claws he be white, but it looks like us brotha's, got a black un' tonight. Faster than a poe'lice car, my homeboy he came, and whupped up on dem rats, as he called dem by name.

On Biden, On Jessie, On Polosi and Hillary Who, On Fannie, On Freddi, On Ayers, and Slick Willy too. Obama landed dat melon, right there in da street, I knowed it fo' sho', can you believe that Sh'eet!.

Dat Santy didn't need no chimney, he picked da lock on my doe, an I sez to myself, "Son o' bitch...he don did dis befoe"! He had a big bag, full of presents at first I suspeck? Wif "Air Jordans" and fake gold, to wear roun my neck.

But he left me no presents, just started stealin my shit. He got my guns and my crack, and my new burglers kit. Den, wif my crap in his bag, out da windoe he flew, I sho' woulda shanked him, be he snagged my knife too.

He jumped back on dat melon, wif out even a hitch, and waz gone in

two seconds, "democrat son of a bitch". So nex year I be hopin', a

white Santy we git, 'cause a black Santy Claws, just ain't worf a shit !!!!

Red Cross Holiday Mail Call
P.O. Box 5456
Capitol Heights, MD 20791-5456

Red Cross "Holiday Mail Call" Program 2008 Guidelines
The American Red Cross is pleased to announce that it will sponsor a national "Holiday Mail Call" program in 2008 as it did in 2007! Last year the Red Cross reviewed and distributed over 600,000 cards to our wounded service members at hospitals around the country and overseas. This year we want to expand who is reached with the holiday greeting cards to include not only our wounded warriors, but all service members and their families, as well as veterans. Our goal is to reach 1,000,000 persons this year to show our appreciation for their service and wish them well over the holiday season and with your help we will!

Start Date of the Program: Veteran's Day, November 11, 2008

Mailing Address: Red Cross Holiday Mail Call
P.O. Box 5456
Capitol Heights, MD 20791-5456

.The Guidelines below should be followed to enable a quick reviewing process as well as to ensure that cards are not offensive in any way to anyone who might receive one:

1. Please ensure all cards are signed

2. Please send cards as opposed to long letters which delay a quick review process

3. Please do not include e-mail or home addresses on the cards as the program is not meant to foster any pen pal relationships

.Please do not insert photos, money, religious articles (i.e.-rosary beads, prayer cards, etc), glitter, 'snow' or like items in cards as these items will be removed during the reviewing process

.Phone cards or gift cards will not be accepted with cards. Those wishing to send calling cards or gift cards/certificates should go to www.aafes.com, scroll down to "AAFES Community Connection" and click on "Help Our Troops Call Home" or "Gift Cards/Certificates for Our Troops" in order to send such items

.No 'Care Packages' will be accepted at this address. Those wishing to send care packages should go to www.AmericaSupportsYou.command click under "Home front Groups" to find out how to send care packages

.Participants are requested not to send more than 25 cards from any one person or 50 cards from any one group.

End Date of the Program:
All cards must be postmarked no later than Wednesday, December 10, 2008.

HAPPY HOLIDAYS

San Diego, CA 92159
zhendeshourecall@gmail.com

FOR IMMEDIATE RELEASE --San Diego, CA -- November 23, 2008 --- Fashion Sanctuary is recalling all lot codes of Zhen De Shou Fat Loss Capsules sold in 10 count blister cards. The recall was initiated after notification by the Food and Drug Administration (FDA) that lab analysis of Zhen De Shou samples found the product to contain undeclared sibutramine, making it an unapproved drug. Sibutramine is an FDA approved drug used as an appetite suppressant for weight loss. This poses a potential threat to consumers because sibutramine is known to substantially increase blood pressure and/or pulse rate in some patients and may present a significant risk for patients with a history of coronary artery disease, congestive heart failure, arrhythmias or stroke.

The product was primarily distributed in the U.S and sold via the Internet. It is sold in a box with an inner foil pouch. Inside the pouch is a blister pack containing light and dark green capsules. This recall affects all lot codes and use by dates. No illnesses or injuries have been reported to date in connection with this product.

Consumers who may have purchased product from this company should immediately discontinue using the product and contact the firm at zhendeshourecall@gmail.com to receive further instructions for returning the product or with any questions.

We sincerely regret any inconvenience to consumers. The firm has taken this voluntary action out of concern for the health and safety of consumers.

This recall is being made in cooperation with the US Food and Drug Administration.

Any adverse reactions experienced with the use of this product should also be reported to the FDA's MedWatch Program by phone at 1-800-FDA-1088, by fax

at 1-800-FDA-0178, by mail at MedWatch, FDA, 5600 Fishers Lane, Rockville, MD 20852-9787, or on the MedWatch website at wwww.fda.gov/medwatch.

FOR IMMEDIATE RELEASE -- November 24, 2008--- Balanced Health Products, Inc. is voluntarily recalling STARCAPS DIET SYSTEM DIETARY SUPPLEMENT, Lot 12/2011 - 84810, sold in 30 capsule plastic bottles.

The recall is effective immediately and is being undertaken because this lot of STARCAPS contains an undeclared drug ingredient- Bumetanide - a diuretic available by prescription only. Bumetanide is also not listed on the product label as an ingredient in this product.

Bumetanide is a diuretic indicated for the treatment of edema associated with congestive heart failure, hepatic and renal disease including nephrotic syndrome. Bumetanide has been detected in STARCAPS at a level of 0.8mg per capsule. Potential risks associated with the use of Bumetanide include serious and significant fluid and electrolyte loss and an elevation in uric acid concentrations. Consumers should not take Bumetanide if they are allergic to sulfonamides. Significant drug interactions with Bumetanide, such as with digoxin and lithium, may lead to an increase risk of toxicity. Patients may also be at an increased risk of hypotension (low blood pressure), fainting (syncope) and resultant injury if they have normal blood pressure or are already taking an antihypertensive medication and take STARCAPS with undeclared Bumetanide.

The company has received no reports of illness associated with this product.

To date, this recall only applies to Lot 12/2011 - 84810. The company is in the process of testing other lots and will notify the FDA of its results, as well as, if additional lots are to be recalled.

The recalled lot totaling 1,974 consumer-size bottles were distributed nationwide from August 2008 to October 30, 2008 through retail outlets and online sales.

Consumers who purchased STARCAPS Lot 12/2011 - 84810 should immediately discontinue their use and return it to Balanced Health Products, Inc at the address on the product label.

Consumers with questions may contact the company at (212) 794-9793 from 10:30am to 4pm EST Monday through Friday.

2832. Dave Barry's colonoscopy journal

Be sure to read the comments at the end.

This has been around before, but is funny enough for a re-read! AND by the way, this is a very life-saving test!!!
From humorist Dave Barry's colonoscopy journal:

I called my friend Andy Sable, a gastroenterologist, to make an appointment for a colonoscopy. A few days later, in his office, Andy showed me a color diagram of the colon, a lengthy organ that appears to go all over the place, at one point passing briefly through Minneapolis .. Then Andy explained the colonoscopy procedure to me in a thorough, reassuring and patient manner. I nodded thoughtfully, but I didn't really hear anything he said, because my brain was shrieking, quote, 'HE'S GOING TO STICK A TUBE 17,000 FEET UP YOUR BEHIND!'

I left Andy' s office with some written instructions, and a prescription for a product called 'MoviPrep,' which comes in a box large enough to hold a microwave oven. I will discuss MoviPrep in detail later; for now suffice it to say that we must never allow it to fall into the hands of America 's enemies.

I spent the next several days productively sitting around being nervous. Then, on the day before my colonoscopy, I began my preparation.

In accordance with my instructions, I didn't eat any solid food that day; all I had was chicken broth, which is basically water, only with less flavor. Then, in the evening, I took the MoviPrep. You mix two packets of powder together in a one-liter plastic jug, then you fill it with lukewarm water.

(For those unfamiliar with the metric system, a liter is about 32 gallons.)

Then you have to drink the whole jug. This takes about an hour, because MoviPrep tastes - and here I am being kind - like a mixture of goat spit and urinal cleanser, with just a hint of lemon.

The instructions for MoviPrep, clearly written by somebody with a great sense of humor, state that after you drink it, 'a loose, watery bowel movement may result.' This is kind of like saying that after you jump off your roof, you may experience contact with the ground.

MoviPrep is a nuclear laxative. I don't want to be too graphic, here, but: Have you ever seen a space-shuttle launch? This is pretty much the MoviPrep experience, with you as the shuttle.

There are times when you wish the commode had a seat belt. You spend several hours pretty much confined to the bathroom, spurting violently. You

eliminate everything. And then, when you figure you must be totally empty, you have to drink another liter of MoviPrep, at which point, as far as I can tell, your bowels travel into the future and start eliminating food that you have not even eaten yet.

After an action-packed evening, I finally got to sleep. The next morning my wife drove me to the clinic. I was very nervous. Not only was I worried about the procedure, but I had been experiencing occasional return bouts of MoviPrep spurtage.

I was thinking, 'What if I spurt on Andy?' How do you apologize to a friend for something like that?

Flowers would not be enough.

At the clinic I had to sign many forms acknowledging that I understood and totally agreed with whatever the heck the forms said. Then they led me to a room full of other colonoscopy people, where I went inside a little curtained space and took off my clothes and put on one of those hospital garments designed by sadist perverts, the kind that, when you put it on, makes you feel even more naked than when you are actually naked.

Then a nurse named Eddie put a little needle in a vein in my left hand. Ordinarily I would have fainted, but Eddie was very good, and I was already lying down.

Eddie also told me that some people put vodka in their MoviPrep. At first I was ticked off that I hadn't thought of this is, but then I pondered what would happen if you got yourself too tipsy to make it to the bathroom, so you were staggering around in full Fire Hose Mode.

You would have no choice but to burn your house.

When everything was ready, Eddie wheeled me into the procedure room, where Andy was waiting with a nurse and an anesthesiologist. I did not see the 17,000-foot tube, but I knew Andy had it hidden around there somewhere.

I was seriously nervous at this point. Andy had me roll over on my left side, and the anesthesiologist began hooking something up to the needle in my hand.

There was music playing in the room, and I realized that the song was 'Dancing Queen' by ABBA. I remarked to Andy that, of all the songs that could be playing during this particular procedure, 'Dancing Queen' had to be the least appropriate.

'You want me to turn it up?' said Andy, from somewhere behind me. 'Ha ha,' I said. And then it was time, the moment I had been dreading for more than a decade.

If you are squeamish, prepare yourself, because I am going to tell you, in explicit detail, exactly what it was like.

I have no idea. Really. I slept through it. One moment, ABBA was yelling 'Dancing Queen, feel the beat of the tambourine,' and the next moment, I was back in the other room, waking up in a very mellow mood.

Andy was looking down at me and asking me how I felt. I felt excellent. I felt even more excellent when Andy told me that It was all over, and that my colon had passed with flying colors. I have never been prouder of an internal organ.

****

Colonoscopies are no joke, but these comments during the exam were quite humorous..... A physician claimed that the following are actual comments made by his patients (predominately male) while he was performing their colonoscopies:

1. 'Take it easy, Doc. You're boldly going where no man has gone before!

2. 'Find Amelia Earhart yet?'

3. 'Can you hear me NOW?'

4. 'Are we there yet? Are we there yet? Are we there yet?'

5. 'You know, in Arkansas, we're now legally married.'

6. 'Any sign of the trapped miners, Chief?'

7. 'You put your left hand in, you take your left hand out...'

8. 'Hey! Now I know how a Muppet feels!'

9. 'If your hand doesn't fit, you must quit!

10. 'Hey Doc, let me know if you find my dignity.'

11. 'You used to be an executive at Enron, didn't you?'

12. 'God, now I know why I am not gay.'

And the best one of all.

13.'Could you write a note for my wife saying that my head is not up there?'

It seems that the Admin of the subject board is now deleting Mark's posts and then adding Mark's IP address to a block list so that he can't post from that IP again.

It has been a long time coming. Now all that Mark has left to abuse is RRAP.

No victory. The next time the admin looks at the board, he will
delete all of your "silent night" posts and block the IP address from
which you spammed. You can't win, you can only make even more of a

Sorry, luser, but you left your IP address in the Google post claiming to have posted the "silent night" spam. It was "NNTP-Posting-Host: 69.19.113.131" and it points right back at you, liar.

You are simply a lying Banned Boi who can't understand Usenet headers and who always gets caught with your pants down as a result.

Don't confuse Mark with facts.

He is merely defending himself against all attackers, foreign and domestic.
Real or perceived.
His comment, "you guys cahsing at shadows" is but more smoke and mirrors,
poor spelling and all.

Mark, to be quite banal, is an anal aperture.
He lacks the basic education that many of us have.

Seems to be true. The Admin of the Nim board is summarily deleting many of Mark's silly posts.

It is about time.

Can't Mark get it through his thick head that he is his own worst enemy? He's been banned from just about every group he has ever taken the time to dirty, but The Dunce still doesn't get it.

Hint for Mark: Nobody likes you. Nobody. You are being laughed AT, not laughed with.

2889. Guys who read the propaganda generated by Brian need to realize that Brian takes things out of context, is a very poor reporter to say the least, and has a personal vendetta against Karol. I believe this causes a total lack of rational thinking on Brian's part, to the point that his web rantings should be dis-regarded.

Every Thanksgiving, the admin of Nimbusters has to pick out the
biggest turkey from his very large flock of turkeys. This year, it
was Mark that was chosen, and he was summarily executed on
Thanksgiving Day and served as part of the annual Nimbusters banquet.
The Nimbusters are still picking over what is left of his carcass
today.

Mark is whining about it in his blog entry at

http://khkb9rqz.blogspot.com/2008/11/well-congrats-nimnbuster.html

and he feels that he's the victim again. After years of flooding RRAP
and other forums, he simply doesn't get it, and he never will. Mark is
now booted by yet another web site, thanks to his own bad behavior, but
that won't have any effect on his ongoing disruption of RRAP and RRCB.
Only sanctions will work.

And even after the Nim admin deleted almost all of your posts, you
turned around and spammed it as "Mr Coffee." Truly, you are the shame
of Chassell.

If the admin deletes your posts whenever he finds them, then you are persona non grata at the site and you are effectively banned. Didn't you have your IP addresses blocked too?

The answer is "yes", and that *IS* a ban no matter how you try to spin it, Boi.

Interesting lie, since I don't post on Nimbusters - I just read it
from time to time.

It is impossible to fake an IP address with a TCP connection (the
three way handshake can't be completed). You can only use someone
else's IP (as with a proxy server), but you can't fake one. Try
again, oh technical Boi.

I am a victim of the latest scam in Columbus which is happening at the Polaris Mall.
Beware, this could happen at any mall.
The scam: Two hot 21 year old blondes come to your care as you are parking.
The first one starts wiping your windshield with a rag and Windex.
The other one say comes over to your window, says, "Hi," all the while bending over with her breasts bursting their way out of her shirt.
Of course, it's impossible not to look.
When you thank them and offer them a tip, they decline and beg you for a ride to the Easton Mall.
You agree and tell them to sit in the back.
On the way they start having oral sex with each other.
One eventually will crawl into the front seat and go down on you -- and here's the scam part -- while the other one steals your wallet.
So far, I was assaulted last Monday, Tuesday, Wednesday, Thursday, and Friday, but I couldn't find them Saturday or Sunday.

What do bungee jumping and sex with a prostitute have in common?

1) They both cost about $100.
2) They both last about 30 seconds.
3) In both cases, if the rubber breaks, you're a dead man.

Ladies and gentlemen of rec.radio.amateur.policy, the message you are replying to is a part of an ongoing campaign to disrupt the whole of sfnet, the finnish-language Usenet hierarchy, by means of cross-posting Finnish-language garbage messages to other hierarchies.

Several bots are currently being run to try to remove these messages, but unfortunately it is quicker to randomly generate than to find and then remove messages.

The users of sfnet would much appreciate if you do not post followups to these messages (specially cross-posting to the sfnet hierarchy), the original garbage messages will be removed shortly. Thank you.

It is impossible to read his blog and understand what he is talking

The Pope was working on a crossword puzzle. He thought and thought about one clue, finally gave up and asked the Cardinal next to him, "What's a four letter word, ending in U - N - T that means 'woman'?"
The Cardinal was working on his own puzzle and didn't even bother to look up. "'Aunt,' your Holiness."
The Pope didn't speak for a second. "Oh." He paused. "Do you have an eraser?"

Translation: They found out what/who I really am.

Here are the amateurs who were present at the meeting July 2008:
KD8CTL, KB9RQZ, N8ZBJ, WA8JSF, W8ERB,
W9VLM, W8ILS, W4KAR, WB8ZYL, WA8QNF, K6IPC, W8DAO, KB8XI and W8FWG.

So just which ones were threatened and how were they threatened?

From the minutes:
W8FWG. Glenn, WA8QNF asked this question of the President. “Mark, in
the interest
of the CCRAA would you be willing to step down as President of the
organization.?”
The answer given by Mark was “No!” In view of the “turbulence” that
occurred, the
Property Chairman’s report (W8FWG’s report) did not get read, but it
is included here as
follows: All utilities within the building are operational, and the
weekly routines are
being kept up, the monthly check of the emergency engine was
completed, an additional
operating chart was made up and a new antenna tuning guide was added.
The lawn was
not mowed, per the President’s request, because of his allergy to
newly mown grass. The
water leak at the roof has been corrected and one problem with a door
switch remains and
that should be taken care before the next meeting. Cataloging of the
small parts cabinet
continues, and now that we have a new computer this should be
completed by year’s
end..
A motion made by Glenn, WA8QNF and seconded by Roy, WB8ZYL to “Remove
Mark,
KB9RQZ from the office of President of the CCRAA” was introduced, and
a discussion
followed. When it came to a vote, there was one ABSTENTION, one NO
vote, 11 YES

votes, and the motion carried. George, W8FWG, being appointed Acting Secretary took
ending notes. The next meeting of the CCRAA is scheduled to be held at the Osceola
Clubhouse on September 2, 2008 at 7:00pm EDT. Since there was no longer a quorum
(without a President or Vice President present), a motion to adjourn was entertained by
Roland, KB8XI and seconded by Glenn, WA8QNF, and the meeting adjourned at
8:45pm EDT

It was discovered on a space mission that a frog can throw
up. The frog throws up its stomach first, so the stomach is dangling out of
it’s mouth. Then the frog uses its forearms to dig out all of the
stomach’s contents and then swallows the stomach back down again.

The pretty secretary wasn't saying much on the phone, just sitting there listening and smiling sweetly.
Finally, she hung up the phone and said to the girl at the next desk,
"That was my boyfriend. His boss must have walked in.
He said he wanted to thank me for 'giving his firm a shot at my prime location.'"

Two men are approaching each other on a sidewalk. Both are dragging their right foot as the walk.
As they meet, one man looks at the other knowingly, points at his foot and says, "Vietnam, 1969."
The other hooks his thumb behind him says, "Dog shit, 20 feet back."

Unknown to you, you have already perished and gone to Hell. That explains RRAP and Nimbusters, plus the CCRAA, as well as your whole recent life. Think about it.

It has been scientifically proven that if we drink one litre of water each day, at the end of the year we will have absorbed more than one KILO of escherichia coli bacteria found in faeces.
In other words, we're consuming one kilogram of SHIT.

However, when drinking beer, we do not run that risk as beer has to go through a distillation process of boiling, filtering, and fermenting.
It is my duty to communicate to all of you who are drinking water: STOP DOING SO. It is unhealthy!
Water = Shit.
Beer = Health.
Free yourself of shit, drink beer.
It is better to drink beer and talk shit than to drink water and be full of shit.

A couple was having trouble conceiving a child, so they went to the doctor and he told them that the problem was one of sufficient penetration.
He told the man to do it doggie fashion.
The man said, "What is that?"
The doctor replied, "Just watch the dogs and do like they do."
The man said, "My wife is very shy and she won't do that."
The doctor replied, "Give her a cocktail or two and she will lose all inhibition."
Some while later the doctor met the man pushing a baby carriage.
"I see it worked, but why are *YOU* pushing the baby carriage??!" the doctor said.
"Yes it did Doc, but the problem is...my wife is now an alcoholic!"
"How did that happen?" the doctor asked.
"Well, every time we did it...it took seven or eight drinks just to get her out into the front yard."

"But that can't be. The only men I've been with are nudists, and in our colony we practice sex only with our eyes."
"Well my dear," said the doctor, "someone in that colony is cockeyed."

When the office printer's type began to grow faint, the office manager called a local
repair shop where a friendly service agent told him that the printer probably only needed a

thorough cleaning. Because the store charged $50 for such
cleanings, he said, the manager might try reading the printer's manual and doing the job himself.
Pleasantly surprised by the man's candor, the office manager asked, "Does your boss know that you discourage business!?"
"Actually it's my boss's idea," the employee replied. "We usually make more money on repairs if we let people try to fix things themselves first."

Two cowboys are talking over a beer, discussing various sex positions.
The first cowboy says his favorite position is "the rodeo".
The other cowboy asks what the position is, and how to do it. The first cowboy says, "You tell your wife to get on the bed on all fours and then do it doggy style. Once things start to get under way and she's really enjoying it, lean forward, grab her by her hair and whisper in her ear, 'Your sister likes this position too.' Then try to hang on for 8 seconds".

Mrs. Jones is having her house painted, and her husband comes home from work and leans against the freshly painted wall.
The next day, she says to the painter, "You wanna see where my husband put his hand last night?"
He sighs and says, "Look lady, I got a tough day's work ahead of me. Why don't you just make us a cup of tea?"

Ho so you don't believe Amateur Radios death is eminent. Well, all of the individuals I encourage to join Amateur Radio all but one is still active in the hobby.

One young man I encourage to join Amateur Radio became an extra class in his first setting. A very Intelligent young man but when he met the other hams and seen how badly they behaved, he soon quit and found another hobby. Plus, became very up-set with me for encourage him to join Amateur Radio and this person now works for a local radio station as their station engineer.

Therefore, in my personal view Amateur Radios death is eminent not due to Code, or Testing, it's due to the immature people like yourself that's killing off our hobby.

Look at you talking about Lawsuits and all, Grow up and get a life.

A man is driving down a deserted stretch of highway when he notices a
sign out of the corner of his eye....It reads:
SISTERS OF ST. FRANCIS
HOUSE OF PROSTITUTION
10 MILES
He thinks this is a figment of his imagination and drives on without
second thought....
Soon he sees another sign which reads:
SISTERS OF ST. FRANCIS
HOUSE OF PROSTITUTION

5 MILES
Suddenly he begins to realize that these signs are for real and drives past a third sign saying:
SISTERS OF ST. FRANCIS
HOUSE OF PROSTITUTION
NEXT RIGHT
His curiosity gets the best of him and he pulls into the drive. On the far side of the parking lot is a stone building with a small sign next to the door reading:
SISTERS OF ST. FRANCIS
He climbs the steps and rings the bell. The door is answered by a nun in a long black habit who asks, 'What may we do for you my son?' He answers, 'I saw your signs along the highway and was interested in possibly doing business....'
'Very well my son. Please follow me.' He is led through many winding passages and is soon quite disoriented. The nun stops at a closed door and tells the man, 'Please knock on this door.'
He does so and another nun in a long habit, holding a tin cup answers the door... This nun instructs, 'Please place $100 in the cup then go through the large wooden door at the end of the hallway.'
He puts $100 in the cup, eagerly trots down the hall and slips through the door pulling it shut behind him.
The door locks, and he finds himself back in the parking lot facing another sign:
GO IN PEACE.
YOU HAVE JUST BEEN SCREWED BY THE SISTERS OF ST. FRANCIS.

A big-city, U.S. lawyer went duck hunting in rural Canada. He shot a bird, but it fell into a farmer's field on the other side of a fence. As the lawyer climbed over the fence, an elderly farmer drove up on his tractor and asked him what he was doing.
The litigator responded, "I shot a duck and it fell into this field, and I'm going to retrieve it."
The old farmer replied, "This is my property, and you are not coming over here."
The indignant lawyer said, "I am one of the best trial attorneys in the U.S. and, if you don't let me get that duck, I'll sue you and take everything you own."
The old farmer smiled and said, "Apparently, you don't know how we do things in Canada. We settle small disagreements like this with the Canadian Three-Kick Rule."
The lawyer asked, "What is the Canadian Three-Kick Rule?"
The farmer replied, "Well, first I kick you three times and then you kick me three times, and so on, back and forth, until someone gives up."
The attorney quickly thought about the proposed contest and decided that he could easily take the old codger so he agreed to abide by the local custom. The old farmer slowly climbed down from the tractor and walked up to the city feller. His first kick hit the lawyer's groin and dropped him to his knees. His second kick nearly wiped the man's nose off his face. The barrister was flat on his belly when the farmer's third kick to a kidney nearly caused him to give up.
The lawyer summoned every bit of his will and managed to get to his feet and said, "Okay, you old coot! Now, it's my turn!"
The old farmer grinned and said, "Naw, I give up. You can have the duck!"

It's called "Windows Longhorn" because its real name, "The Repair Shop and Help-Desk Full Employment Act of 2006", won't fit on the box.

I would not want a pft to be repeated, so I would not say pardon.

3914. Amateur Radios Death is Eminent!

Therefore, you don't believe Amateur Radios death is eminent. Well, all of The individuals I encouraged to join Amateur Radio all but one is still active in the hobby.

One young man I encouraged to join Amateur Radio became an extra class in his first setting. A very Intelligent young man but when he met the other hams on HF and heard how badly they behaved, he soon quit and found another hobby. Plus, became very up-set with me for encouraging him to join Amateur Radio and this person now works for a local radio station as their station engineer.

Riley Hollingsworth, K4ZDH, the FCC's Chief Enforcer retired from the FCC and once again the HF bands are overran with immature people acting the fool. This just goes to show if we need a full-time babysitter for Amateur Radio because our hobby is overran with toddlers then Amateur Radio death is eminent.

Therefore, in my personal opinion Amateur Radios death is eminent not due to Code, or Testing, or the Internet, it's due totally to the immature people like yourself that's killing off our hobby.

No, Todd. Because of people like YOU!
Most of us have by now heard a recording of that juvenile rant you did on 20 meters last summer. You know the one...where you lost control and screamed obscenities into the mic for ten minutes?
That was one of the most childish, juvenile, profanity laced rants that I have EVER heard on Amateur Radio. I could almost see you flailing about on the floor, mic in hand, eyes bulging, as you beat your little arms and legs in the air because those big, nasty Hams wouldn't let you break into their conversation.
What you needed after this idiotic display of silliness was, Todd, a spanking. You sounded like a three year old in the candy aisle of a grocery store who couldn't have the candy bar that his mommy refused to buy and who threw a temper tantrum.
This is Amateur Radio, Todd. Not Romper Room.

Hell, the "Lids" poster can't even use "imminent" instead of "eminent,"
Todd, meaning that he made himself look ignorant just as soon as he
typed the subject lines of his posts.

He should be posting at http://nimbusters.org/hams/forum.php?board=1
with the rest of the geniuses. You, on the other hand, should not be
allowed to post at all.
